With WatterSaver, you can earn rewards from your water heater!

WatterSaver is a program for Pacific Gas & Electric Company (PG&E) electric customers that rewards you for heating your water when electricity demand is lower. WatterSaver is free, easy to enroll in, and you can pause participation at any time.

Benefits of Participation

Earn a \$50 reward and an additional \$5 reward each month you participate.

Help reduce greenhouse gas emissions and improve grid reliability.

When combined with a Time-of-Use Rate Plan*, WatterSaver can help you avoid paying the highest electricity rates to heat your water.

Am I Eligible?

- You're eligible if you're an electric customer of PG&E or a partnering Community Choice Aggregator in PG&E's service territory and...
- You have a qualifying smart electric resistance water heater or a heat pump water heater that can connect to the program.

*Time-of-Use rates are not a requirement. However, if you are interested in switching or would like to know more, please visit www.pge.com/en/account/rate-plans/time-of-use-rate-plans.html
